

OFF THE GRID TINY HOUSE EXPERIENCE IN A PERMACULTURE FOOD FOREST

Call for Volunteers

ECO-COMMUNITY VOLUNTEERING OPPORTUNITY

WHEN?

1 sept - 29 okt. 2025, 59 days

WHERE?

@ an eco-community living in a forest in Dalfsen,
The Netherlands (close to Zwolle city)

***two place – EU citizens – 18-30 years old –
2 months – fully funded***

Are you interested in experiencing, off the grid, tiny house lifestyle within a community?
Curious how nature and humans needs can come together?
During this funded volunteering project you are able to have this opportunity!

ABOUT THE OPPORTUNITY

You will be living and working within an Eco community in Dalfsen (close to Zwolle), experience life in a (food)forest, learning how to grow and harvest food, develop practical skills for off the grid living, make friends and actively become part of a regenerative culture!

This ESC project is for EU citizens (under 30) interested in developing ecological, social skills and curious about the ecovillage movement.

MORE INFO

Our community (± 14 people) owns ten off-grid houses situated within a diverse food forest. You will be offered one of the houses to live and practice off the grid living, with guidance of our experienced community members. In the house of the coordinator is a WiFi internet connection.

With ten years of fostering our principles Liberty, Equality, and Togetherness, we provide a safe, natural space to guide and inspire individuals with a wish to reconnect with nature (laws) and/ or struggle to find their place in society, interested in off-grid living, food forest cultivation, and food sovereignty.

Apart from the daily activities you are surrounded by very beautiful Dutch nature to enjoy.
Our community is situated at the river 'de Vecht', swimming and Canoeing around the corner.
Nature and forest walks/ bike rides all around (bikes available).
The center of picturesque Dalfsen is 10 minute by bike, the city Zwolle 7 minute by train from Dalfsen.
